About the Program

The Afterschool Program aims to keep immigrant and refugee youth (Grades 1 - 12) positively engaged during critical after school hours by providing academic support, English language development, recreational activities and healthy life skills. During the school year, programs are delivered once a week for two hours after school within selected schools, housing complexes, and public libraries located in neighborhoods with the greatest need.

During the summer, two separate sessions of three weeks each are offered to immigrant and refugee youth (Grades 1 - 9) throughout the city of Calgary. Programs run four days per week from 9:00 am to 3:00 pm. Transportation options are provided in all four quadrants of the city.

"I love the Afterschool Program because of the free food and field trips, but of course it's not just that. I love it because it's diverse, I have gotten to know other cultures that I normally wouldn't have. I have met new people who originally were friends but now have become close to me like family."

- NxtGen participant, Grade 9, St. Rose of Lima

Afterschool Program Focuses

Canadian Experience | English Language Development | Health & Well Being
Community Engagement | Positive Relationships

SCHOOL YEAR (October - May)

SUMMER (July - August)

The program uses an outcome based curriculum based on the Circle of Courage® intended to build resiliency and social emotional skills by addressing four key areas of development: belonging, mastery, independence, and generosity.
